A collaborative agreement signed today by Consell de Formentera president Alejandra Ferrer and Club Surf Formentera chair Alex Buchau involves coordination of 2020 operations at the municipal sailing school, privileges to use Consell facilities and employment of Escola de Vela personnel. Sport consellera Paula Ferrer was also on hand at the signing.

The Consell de Formentera promises to pay CSF €35,000 for running the centre, where CSF staff will be brought in to help develop operations. CSF will be in charge of selecting training personnel, who will be supervised by the coordinator of Formentera's nautical sport centre.
