CiF president Jaume Ferrer and Juan Manuel Costa, the island's representative at the Cambra de Comerç, have signed a partnership agreement under which the Cambra will offer training, conduct market research and provide communications services for local businesses.

The Cambra pledges to use the Council's €7,000 grant between January and October 2019 for training and education along with consultancy and help in creation, administration, financing and security for business owners on the island.
