Consell de Formentera president Alejandra Ferrer was joined today by Juan Manuel Costa Escanellas, the local representative of the Chamber of Commerce, in signing into effect an annual agreement to collaborate on support for continuing education, market research and business communication on the island. The first deputy president and business consellera Ana Juan was also on hand at the signing.

The Consell de Formentera pledges €7,000 to help organise wide-ranging programming like day-long training sessions; lifelong learning opportunities in fields such as languages, business, emerging technologies and entrepreneurship; business consulting; creating, managing and funding businesses and safety in the workplace.
