Friday, September 29 at 8.30pm, Formentera will welcome the island's Gala de l'Esport 2016/2017 to the cinema. Jordi Vidal, head of sports at the Council, says the gala was “conceived to honour people, associations, sports clubs and private entities that devote efforts to fitness and sport”.

Distinctions will be given for:
- Best sportsperson of 2016/2017
- Best sponsor/partner
- Best sports group
- Most work in support of sport, nominations
- Two panel-selected “honorary mentions”

The panel, composed of 15 spokespeople from the different groups on the CiF plenary and chaired by Secretary Vidal and honorary chairperson (and sitting CiF president) Jaume Ferrer, met on July 17 in the administration's hall of ceremonies to choose the honorees.

In addition to an appearance from Balearic sports secretary Fanny Tur, Vidal encouraged the whole island to come pay tribute to the island's leading lights in sport.
