Earlier today, Jaume Ferrer, the president of the Formentera Council (CiF), welcomed a courtesy visit from Lieutenant Colonel Mario Lamura of the Carabinieri, whose duties include work at the Italian state police force's Madrid office. Lamura was joined by Warrant Officer Davide Porcelluzzi, Sergeant Marco Rosetti and Chief Loris Lunato. Acting as mediators for the Carabinieri commanders were Major Antonio Fresno of the Eivissa-Formentera Guardia Civil and Alejandro Perdigón, the warrant officer for the Spanish state police on Formentera. The visit was an opportunity to evaluate current joint operations by the two police forces on the island.
