Today Ana Juan, President of the Consell de Formentera, and Manuel Mayans, president of Formentera Basketball Club, signed for the first time a collaboration agreement to develop and coordinate the basketball club's lower categories. The Consell will contribute up to €25,000 to cover part of the club's expenses linked to practising and promoting the sport and promoting sporting values. Paula Ferrer, Councillor of Sports, who was present at the signing of the agreement, underscored "the great work being done by Formentera Basketball Club to create a school with a project to transmit team values and a family atmosphere, which is why the club has grown so much".
