

Reminder: oversize rubbish and hasardous waste must be taken to Deixalleria

Monday, 15 March 2021 14:44

The Formentera Department of Environment reminds islanders that garden clippings, household appliances, batteries, mattresses and any other refuse material unfit for streetside bins can be disposed of for free at Formentera's household waste disposal centre. The Deixalleria opens Monday to Saturday 9.00am to 1.30pm, and afternoons Monday to Friday 3.30pm to 5.30pm. Pickup of appliances, old furniture and outsize rubbish is also available by calling 900.102.656.

This weekend Consell de Formentera cleaning services were dispatched to clean motor oil, a hasardous waste, left beside bins on carrer s'Espalmador in Es Pujols. The FDE reminds islanders that improper dumping is punishable by fines of between €150 and €1,745,000.
