

Paul Wenham has won the February drawing for Formentera's wintertime buy-local initiative, Compra a Casa Campanya d'Hivern. The campaign is sponsored by the Formentera government with the cooperation of the local small and medium-sized business group, Pimef. A Compra a Casa cardholder since February 2017, Wenham walked away from the drawing with a €50 gift card. Launched in January as a way to support local mom and pop businesses in winter, the promotional push continues this March. Purchases of €15 or more made during the last week of the month automatically enter Compra a Casa cardholders to win prizes. The final drawing is scheduled to take place during the first week in April.
