

Consell de Formentera president Jaume Ferrer and Dolores Fernández Tamargo, chair of Espai Dones, signed into effect a €3,000 deal to foster equality and prevent domestic abuse in 2017. The agreement lays the groundwork for a partnership between the two groups in which efforts will be focused on boosting equality and stemming gender violence.

Espai Dones Formentera is a nonprofit that seeks to support feminist struggles and achieve broad recognition and support for gender equality. Since its creation, the group has focused its efforts around high-profile events like International Women's Day and International Day for the Elimination of Violence against Women.
