

The Formentera Office of Youth is pleased to announce the programme offered by the team of the island's youth drop-in centre this April. "It's all about entertainment and support for young people, and activities related to the Beni Trutmann photography contest are particularly stand-out features of this month's programme", said Vanessa Parellada, Councillor of Youth, who pointed out that the end of the month would find local youth joining traditional Sant Jordi celebrations, too.

Last Friday, 1 April, youth at the Casal slipped off their shoes and held a Twister championship. Activities continued over the weekend, with the centre holding a spin art workshop to practise colour creation and creativity on Saturday 2 April.

This Thursday 7 April, there will be an idea-sharing workshop where participants will hold a debate on topics of their choosing. The aim is to create a participatory space for dialogue and sharing. And, rekindling a pastime for all ages, on Friday 8 April there will be children's games! On Saturday 9 April, there will be a brainstorming session to find the best photographs of the island and encourage young people to participate in the 2022 Beni Trutmann photo contest. The deadline to compete is Tuesday 12 April, and the Casal will help participating youth to send their snapshots. On Saturday 16 April, there will be another afternoon of games where a space will be created for group play and sharing. A cooking workshop will take place on Friday 22 April.

Sant Jordi

On Saturday 23 April, Sant Jordi festivities will also be at the Casal de Joves, where youth will discuss books and a Sant Jordi decoration workshop will be held. Young people who take to social media to share how they celebrate Sant Jordi will be entered in a contest.

An origami workshop will be held on Friday 29 April. On Saturday 30 April, volunteer and professional yoga instructor Eva Oller will lead participants in a yoga workshop.

The Casal de Joves normally opens Tuesday to Saturday from 4.00pm to 10.00pm.
