]

or in person at the Citizen Information Office [

OAC

].

This year's Escola d'Estiu starts 1 July and continues through the end of August at the schools of Sant Francesc and La Mola and the former Sant Ferran primary school. The programme is for children aged 3 to 12. Attendees are welcome from 8.00am to 2.30pm.

"The Consell hopes this programme is helpful for working families of the island, particularly during the summer high season", said Vanessa Parellada, Councillor of Youth Services, "but we also hope that these leisure options give children a space to grow, play, share, learn and have fun with activity leaders who will look after them during the summer holidays".

Priority in admission will be given to families facing challenges balancing work and life or socio-economic hardship, and those with at-risk youth.
