

In the early hours of Thursday morning, the Consell de Formentera fire crew put out flames that had engulfed a vehicle parked at Sa Senieta building in Sant Francesc. The call came through at 12.53am and five firefighters proceeded to the scene with a water pump and a pickup truck. The apparently accidental blaze started at the car's front end, and extended to the van parked in the adjacent space. The fire was declared extinguished at 1.50am. Officers of the Civil Guard also intervened in the effort.
