

The Consell de Formentera reports that today marked the start of the tendering process for seasonal services on Formentera beaches from 2022 to 2027. The announcement has already been posted on the [Plataforma de Contratación del Sector Público del Estado](#) and interested persons and companies have until 30 December at 11.59pm to submit bids. The contracting procedure was approved by the government commission last Friday and has been posted on the [Consell de Formentera website](#)
