IDÒ is the name that Esther González has given the collection of photos she will display from Monday 14 September at the ‘Ajuntament Vell’ exhibition space. A faithful visitor of the island for forty years and counting, González reveals a Formentera that is distinctly personal, and a vision spanning the four seasons. The black and white format gives the photographer the means to capture the authentic Formentera, one where texture, shape and movement are the key players. The show comprises thirty 40cm x 50cm black and white prints.

IDÒ will be on view and open to the public 11.00am to 2.00pm and 6.00pm to 8.00pm until 26 September (closed Sundays and Monday mornings).
Opening: Monday 14 September at 6.00pm.
