

The Formentera Office of Culture is pleased to announce that 13 to 24 September, "Ajuntament Vell" exhibition space will host "El arte de vivir", an exhibition of photography by Irina Zadek.

The exhibition is composed of twenty-three photographs of various sizes, and documents six artists and artisans who live and work on the island. The display reflects subjects' connections with their creations, their work and Formentera. The photographer traces this focus on subjects' working worlds to a desire "to give them greater visibility because they are an important part of our society".

Zadek has been a resident of Formentera since 2006. Two years earlier, she began her career as a photographer. In her work, Zadek explores human beings and their connections and relationships.

"El arte de vivir" opens Monday 12 September. It can be seen at Sala d'Exposicions "Ajuntament Vell" 11.00am to 2.00pm and 7.00pm to 9.00pm, Monday to Saturday.

The gallery is closed Sundays, holidays and Monday mornings.
