

The Formentera Office of Culture is pleased to announce that that ***Alte Liebe***, the first show of the autumn L'Illa a Escena programme, is coming to Formentera. Trio Bórea's first project is a concert that starts at

8.00pm on Saturday 24 September

in the Sala de Cultura (Cinema).

Alte Liebe is a digital and interactive audiovisual piece that showcases the life and work of three great musicians of the nineteenth century. The innovative concert format enables spectators to become totally immersed in this story. The show is an extremely accessible adventure for a variety of audiences.

In 2019, **Bórea** began as a chamber music group with the aim of exploring the development of new models of audience interaction. The group is formed by Galicians Brais González Pérez (piano) and Julia Caro Trigo (cello), and Mallorcan Clara Mascaró Nadal (viola). The concert will feature works by composers Robert Schumann, Clara Schumann and Johannes Brahms, which will be linked through a narration that is based on the featured composers' epistolary documents and arranged for the ensemble by González, a pianist and composer.

By July 2021, Trio Bórea had taken part in an array of artistic residencies. One included a stay in Baltais Fligelis (Latvia) while another, BrahmsHaus, took place Baden-Baden (Germany), and found the group piloting and presenting their project to all of Europe. Since 2020, the trio has received support from varying entities, including the European Union, with the prestigious i-Portunus grant and Salzburg Stadt. Recently, the trio was awarded the Café Bauhaus Prize, given by the European Union Youth Orchestra.
