

The Office of Culture of the Consell de Formentera is pleased to report that the third Formentera Folklore Festival (*Festival Folklòric Illa de Formentera*) will take place in Sant Francesc's Plaça de la Constitució on Saturday 25 March from 12 noon. Four dance troupes –local groups Es Pastorells and Es Xacoters; Bot Ben Ballat i Ben Sonat Xeremiers (Llucmajor, Mallorca) and Las Camaraes Folklore Group (Vinaròs, Castelló)– will perform typical dances.

Vanessa Parellada, culture councillor, hailed the fact that after several years on standby due to the pandemic, "our troupes can reconvene and offer this demonstration of folk dance so typical in the Balearics and Castelló". Parellada highlighted "the enthusiasm of the island's dance groups" and thanked them for organising the festival, which she invited all of Formentera to attend.
