

The Formentera Council's president, Jaume Ferrer, and Juanjo Escandell, head of local sport club Grup Esportiu Espalmador (GEE), have signed a pledge to work together promoting, coordinating and presenting sport fixtures throughout 2017.

The Council will give GEE €7,000 to organise seven events, Far a Far (April 23), Trofeu Illa cycling race (March 26), BTT Es Cap Challenge (May 7), Milla Urbana (July 22), Pujada a la Mola (October 12), ATB tour of Formentera and la Mola Challenge (October 27–29) and John Tunks memorial run (December 6).

One role of the island councils is to “promote, plan and execute sport activities across the social strata of the island”. Today's agreement with GEE is intended to foment such gatherings.
