

The Formentera Council's department of sport reports that the island's municipal sport schools will reopen their doors when summer comes to an end in September.

Enrolment in the Formentera athletics, tennis and archery schools starts September 1. For islanders interested in joining the island's sailing school—a programme also known as the “regatta team”—, registration takes place separately, under the supervision of Club Surf Formentera.

Where space is limited, registration will be conducted on a first-come, first-served basis. Signups can be done online on the Antoni Blanc fitness centre website, in person at the Citizen's Information Office (OAC) or on the OAC's web portal (<https://ovac.conselldeformentera.cat>).

The enrolment period lasts ten days (the process involves a registration form and permission slips) and includes making payment at the Antoni Blanc fitness centre (*poliesportiu*).

Parents are invited to take part, at 7.30pm on Thursday September 6, in a gathering at the meeting room of the fitness centre. The event, which will serve to introduce school staff and programme coordinators, will also be an opportunity to discuss registration, approaches used by school instructors and the programme timetable. Activities will begin over two days, Monday and Tuesday, September 17 and 18.

For complete details about Formentera's municipal sport schools, visit www.emaf.cat or the Antoni Blanc fitness centre.
