

The Formentera sports department reports that the 41st John Tunks Memorial Mini-Marathon will be held this Friday, 6 December, at 10.30am. Organised by Espalmador Sport Group and the Consell de Formentera, the trial consists of two events: athletics and skating. The athletics portion—one of the longest-running in the archipelago—appears in the Athletics Federation of the Balearic Islands' (FAIB) calendar of sporting events.

While there is a limit on the number of entries that can be accepted, the trials are open to all.

Start times are as follows:

- 10.30am (John Tunks Memorial Mini-Marathon; 12K run with corresponding 12K categories)
- 10.40am (Skating race, single category)
- Approx. 11.10am (Skaters under 16; Sant Ferran to Sant Francesc)

Roughly 80 individuals have signed up to date, and registration can also be completed on site, at Plaça de la Constitució in Sant Francesc, until 9.30am the day of the event. Signups are free for individuals under SUB 18.

Participants from outside the island will have access to a free shuttle service from La Savina harbour to the starting line in Sant Francesc and back to La Savina.

Roads will be closed to vehicle traffic wherever events take place. The following stretches of road will be closed from 10.30am to 12.30pm: PM 820 between La Savina (PM 820-2 juncture), Sant Francesc and Sant Ferran (first roundabout), and PM 820-2 La Savina-Es Pujols-Sant Ferran.
