

“Formentera to Run”, a 60K footrace with five sub-stages of roughly 9K, 10K, 13K, 10K and 21K, will be held on the island from 31 May to 5 June.

Approximately 40 runners already registered to take part in the trial —part sporting event, part sightseeing tour— will discover and get to know extra special corners of Formentera.

On 5 June, the demanding final stretch will see runners cutting a 21K half-marathon route across La Mola. Its own self-contained race, “Formentera Trail 21” currently has 90 registered runners (signups can still be completed [here](#)).

Multi-medal champion Martín Fiz will be taking part in the competition.

Formentera to Run receives support from the Formentera Office of Tourism.
