

The Formentera Department of Sports is pleased to announce that signups for summer courses at the island's Escola Municipal de Vela (Municipal Sailing School) will begin next Monday 14 June. Scheduled to play out 28 June to 3 September at Formentera's Centre d'Esports Nàutics (Nautical Sports Centre), the courses will be held weekdays and are geared toward swimmers over five.

Organisers have programmed three separate learning groups and, to maximise participation, will announce the official list of participants seven days before the start of each two-week session. Swimmers aged 5 to 17 can sign up for sailing, while those aged 7 to 17 will have the additional option of windsurfing. Saturday mornings will be reserved for two different supervised lessons for adults, the first from 10.00am to 12 noon and the second immediately after.

Enrolment can be completed in person at the Centre d'Esports Nàutics from 9.00am to 2.00pm. For more information, call 663 673 315 or email cenf@conselldeformentera.cat . Islanders at the adult day care facility will begin their own summer course at the sailing school on Friday 25 June.
