

Today Ana Juan, president of the Consell de Formentera, and Manuel Mayans, president of Formentera Basketball Club, have renewed a collaboration agreement which was first signed last year to develop and coordinate the lower categories of the club. The Consell will contribute €25,000 to defray part of the club's expenses stemming from practices and promoting sport, not to mention from promoting values related to sport. Paula Ferrer, sports councillor, was also present at the signing.
