

This 1 March, the Consell de Formentera will host a web-based celebration of Balearic Islands Day (Dia de les Illes Balears). Virtual revellers can tune in to the Consell de Formentera YouTube channel from 10.00am to hear remarks from presidenta Alejandra Ferrer, plus see a social media-ready video tribute to the hometown dance troupes Es Xacoters and Es Pastorells.

One year shy of the *colles'* last public performance, the Consell offers up its own humble tribute—a virtual demo with dancers' explanations of how they've spent the twelve months of pandemic—in hopes the troupes will soon be dancing again.
